CORE Causes

Fiscally Sponsored Projects

CORE Foundation is in its 15th year of helping others be the change they want to see in the world through a fiscal sponsor model. A Fiscal Sponsorship enables individuals or groups with big ideas to do their good work under the CORE 501(c)3 nonprofit umbrella. We call the leaders of these groups - social entrepreneurs.

By becoming a CORE Foundation "CORE Cause," social entrepreneurs can utilize the CORE Foundation nonprofit infrastructure, administrative resources, and mentoring to ignite their project for social good.

Projects can range from supporting the fight against cancer to championing veterans' issues to battling homelessness and food insecurity. CORE Foundation's leadership team assists in incubating those big ideas and bringing them to life in a supportive environment. Acting as a host for the CORE Cause's effort is a win-win and allows us all to work together to be agents of change.

The CORE Foundation helps social entrepreneurs identify support for their plans, contributes resources to get them started, helps them market their initiatives, and provides an infrastructure that improves their chance of success.

Our CORE Causes have received local and national media coverage including Lester Holt, Good Morning America, People, and the Ellen DeGeneres Show. Join us and we will show you how to follow in their footsteps to "Be the Change" in your community.

Next Steps

To becoming a CORE Cause

The leaders of CORE Foundation are experts in their own respective fields of work. After receiving a viable request for fiscal sponsorship, we conduct an introductory call to understand the vision of the social entrepreneur and societal need to be addressed. Once accepted as a sponsored project and the fiscal sponsorship contract is executed, we assist in project plan development to be deployed by the new CORE Cause.

The CORE Foundation infrastructure improves the project's chance of success. By leveraging CORE Foundation's reputation, our CORE Causes immediately benefit from our established relationships in the community and expert advice on fundraising. We provide the tools you need to be successful and the ability to collect 501(c)3 donations quickly.

Fiscal Sponsors typically charge between 12-15%. CORE Foundation's fiscal sponsor fee is only 10% with a one-time \$500 onboarding fee. This assists in funding our pooled resources including a professional fundraising and event platform, leader liability insurance, and tax filing by an independent Certified Public Accountant. Onboarding fee can be obtained via fundraising.

Your 10% also helps us #BeTheChange through our "CORE Cares" projects that assists the underserved in our community. By working together, we can address multiple charitable projects, develop CORE Cause leaders, and strengthen our community. #StrongerTogether
